AMENDMENT AND REQUEST FOR CONTINUED EXAMINATION (RCE)

Mail Stop RCE Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

This Amendment concerning the above-identified application is in response to the Final Office Action mailed from the U.S. Patent and Trademark Office (PTO) on February 11, 2005 and to the Advisory Action mailed from the PTO on April 27, 2005. As the instant Amendment and Request for Continued Examination (RCE) is being filed within the fourth month of the date that the Final office Action was mailed from the PTO, that

is, from February 11, 2005 (since June 11 fell on a Saturday),

Applicants have enclosed authorization to charge the fee for a

one-month extension of time pursuant to 37 CFR § 1.136(a)(1).

Applicants respectfully request that the amendments in the instant response, many of which were previously submitted in their Amendment after Final submitted to the PTO on April 11, 2005 but not entered, now be entered in accordance with 37 CFR § 1.114 and with the Manual of Patent Examining Procedure (MPEP) § 706.07(h).

The instant application was filed on September 27, 2001. Therefore, as the instant application is an application for a utility patent that was filed under 35 U.S.C. 111(a) after June 8, 1995, and as the last Office action was a Final Office Action closing the prosecution in the application, Applicants respectfully point out that they are entitled under 37 CFR §§ 1.114 (a) and (d) to have a first submission entered and considered on the merits after final rejection:

- (a) If prosecution in an application is closed, an applicant may request continued examination of the application by filing a submission and the fee set forth in § 1.17(e) prior to the earliest of:
 - (1) Payment of the issue fee, unless a petition under § 1.313 is granted;
 - (2) Abandonment of the application; or

- (3) The filing of a notice of appeal to the U.S. Court of Appeals for the Federal Circuit under 35 U.S.C. 141, or the commencement of a civil action under 35 U.S.C. 145 or 146, unless the appeal or civil action is terminated.
- (d) If an applicant timely files a submission and fee set forth in § 1.17(e), the Office will withdraw the finality of any Office action and the submission will be entered and considered.

Applicants have enclosed herewith a submission and an authorization to charge the fee of \$790 as set forth in 37 CFR § 1.17(e), and note that the finality of the Office Action, mailed from the PTO on February 11, 2005 (hereinafter cited as "Office Action" or "Final Office Action") is thereby automatically withdrawn. Should any fees, in addition to the one-month extension and 1.17(e) fee, be determined to be necessary in connection with this paper, Applicants respectfully request that any such additional fees be charged to Deposit Account No. 12-0615.
